

Grow the Army

Factsheet Reading Guide

State/Country:

The postal code abbreviation of the state where the growth is to take place, or the Country or U.S. Territory spelled out

Installation:

The name of the post in question, or the city where National Guard units are stationed

Activity:

Indicates whether the strength change is a result of new growth, increase to existing units, or retention

FY:

The fiscal year in which a given strength change is projected to be complete

Unit / Capability:

The specific type of organization to benefit from or be created by the strength change

Grow the Army Increase to Existing Units:

The number of new Soldiers to be gained by an existing organization at the post in question

Grow the Army Strength Change at Installation:

The number of new Soldiers to be added to a post or city as a result of the Grow the Army Plan

Grow the Army Plan:

The total growth to the Army as a result of the Grow the Army Plan (new Soldiers and retained units)
